

Registration Instructions: FIRST AID / CPR / AED

Course: First Aid / CPR / AED Hybrid combo course (online 2 hours + hands-on 2 hours) approved by American Heart Association. Knowledge and skills for basic volunteer medical emergency assistance and lifesaving until help arrives. AHA charges \$19.50 for the online course with a certificate of completion, paid in advance.* **The required Hands-on Session, originally scheduled for Saturday, February 5, 2022, in Bodega Bay, has been postponed due to COVID precautions. A new date will be announced, soon.** Meanwhile, interested volunteers are encouraged to do the online portion so that it is completed when the hands-on date is announced.
